Exclude Veolia Environment or any of its subsidiaries from all contracts that Leeds City Council awards.

We, the undersigned, demand that Leeds City Council ***exclude VEOLIA ENVIRONMENTAL SERVICES*** *from the list of contractors approved to bid for the proposed incinerator facility in the city* ***because of Veolia's complicity in the illegal Israeli occupation of Palestinian territory.***

- *The United Nations Human Rights Council on 14th April 2010 expressed its grave concern at "The Israeli decision to establish and operate a tramway between West Jerusalem and the Israeli settlement of Pisgat Zeev, which is in clear violation of international law and relevant United Nations resolutions";*
- *Veolia is a leading partner in the CityPass consortium and have been involved in building a light rail tramway system linking Israel to illegal settlements in occupied East Jerusalem; the operation of bus routes linking other illegal settlements; and the operation of the Tovlan landfill site in the illegally occupied Jordan Valley;*
- *Veolia's involvement in these projects is in contravention of the UN's stated demand that Israeli settlement activities and occupation should not be supported.*
